Congratulations! You have been selected for the **AI for Sustainability Virtual Internship**, offered by **1M1B** in collaboration with **AICTE (National Internship Portal)** and co-certified by **IBM SkillsBuild**.

We are pleased to offer you an internship for a period of **6 weeks**, from **28th July 2026 to 28th August 2026**. This internship offers you the opportunity to develop industry-relevant AI skills, explore the intersection of AI and sustainable development, and work on real-world climate and sustainability challenges using emerging technologies.

Internship Highlights

- Hands-on learning with AI/ML concepts, LLMs, IBM Granite models, RAG frameworks, and agentic AI systems with IBM Labs.
- Explore how AI can support climate action, clean energy, waste reduction, biodiversity, and sustainable cities.
- Access to SkillsBuild e-learning Platform with over 80,000 curated courses on technical and professional skills
- Design and prototype AI-powered sustainability solutions guided by expert mentors.
- Learn directly from AI and emerging tech professionals from IBM and 1M1B.

Expectations

- Attend scheduled live sessions and participate actively in workshops.
- Complete the guided learning modules on IBM SkillsBuild, self-learning labs, and digital badge requirements.
- Submit the **final project**, including concept note, video, and code repository.
- Use a laptop/desktop with stable internet connectivity for all sessions.

Upon successful completion of the internship, you will gain **AI skill-building experience**, receive an **official internship certificate**.

We look forward to your meaningful contribution to a sustainable future.

Warm regards,
1M1B Academia Team

Terms & Conditions

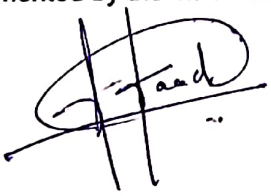

As a selected intern under the **AI for Sustainability Virtual Internship**, you are required to adhere to the following terms:

- **Commitment & Engagement:** Interns are required to commit to the 6-week internship with consistent participation in all scheduled sessions and activities.
- **Professional Conduct:** Interns must maintain professionalism, respect, integrity, and responsible behaviour throughout the duration of the internship.
- **Timely Deliverables:** Completion of all assigned tasks, module requirements, badges, and the final project submission is mandatory.
- **Confidentiality:** Interns must not disclose any course materials, session content, tools, or project-related discussions without prior written approval from 1M1B.
- **Ethical Compliance:** Interns are expected to uphold high ethical standards, practice academic integrity, and use AI tools responsibly. Any violation may result in termination and withdrawal of certification.
- **Certificate Criteria:** Certification requires mandatory participation in weekly mentor sessions, completion of weekly tasks and milestones, successful completion of the SkillsBuild learning plan, and submission of the final project presentation.
- **Grounds for Termination:** The internship may be discontinued if an intern:
  - Fails to remain in communication with mentors or organizers,
  - Shows inadequate participation or incomplete progress, or
  - Fails to complete the required Guided Learning Experience (GLE).
- **Public Communications:** Any public or online reference to the internship must maintain professionalism. Sharing of proprietary or protected learning content is strictly prohibited.
- **Unpaid Nature:** This is an **unpaid internship**; no financial remuneration or stipend will be provided.
